

Chardon Municipal Court

Ohio AMS Alcohol Monitoring Program Description

Description:

- Client is issued a non-removable, continuous alcohol monitoring ankle bracelet that collects samples from the skin for the presence of alcohol 24 hours per day, 7 days per week.
- Client is also issued a base station that requires access to a standard analog home telephone line or an internet connection via an Ethernet port at home, work or a relative's home. Use of Ethernet for communication is an additional \$.50 per day fee.
- A cellular option with a wireless base station is available (provided by OAMS) if phone or connections are not an option. The wireless base station is an additional \$1.00 a day fee.
- Client must refrain from ingesting alcohol or using products that include high alcohol content during the time assigned to the alcohol monitoring equipment.
- After installation, the equipment will be removed only by order of the court or their representative.

Cost:

- The cost for CAM monitoring is \$12 per day plus \$100 installation fee.
- The first month monitoring fee (360) is due at the time of the installation along with the \$100 installation fee. Total amount due at time of installation: \$460, payable by credit card, debit card, cash, personal check, or money order.
- Future payments are due in advance of your next month of monitoring. *Failure to make continued and timely payments will result in termination of SCRAM program and a violation of probation.*
